

# Women of Faith

## *Voices Against Violence*

**Sunday, September 22, 3:00 - 5:00 p.m.**

**Old Stone Church • 91 Public Square**

Join this gathering of women of faith from all over the city and suburbs of Cleveland. Women of all faiths, Muslim, Buddhist, Christian, Sikh, Hindu, Hare Krishna, Jewish, Unitarian Universalist; and women of no identified faith tradition, have joined together to create a witness and a walk around Public Square to celebrate the release of Amanda, Gina and Michelle, to mourn the victims of Imperial Ave, and to insist that violence against women is never an option. Rev. Kathleen Rolenz will be attending and participating. This is the beginning of something new in the City of Cleveland, and public officials, including Rep. Nicki Antonio, will be attending.
